

Family Educational Program for Family Members living with addiction issues

Does someone you love have alcohol or/and drug issues?

We know how difficult this is. Addiction is a complex issue that affects individuals and their families and the wider community. Families can become disconnected, our relationships suffer and we can feel isolated and helpless.

F.A.S.N are hosting the highly recommended Family Educational Programs for Family Members developed by the The Rise Foundation, which offers practical support, relevant education, coping strategies and the opportunity for people to connect through their shared experiences. These educational programmes will be delivered online over 10 weeks on a weekly basis for three hours.

1st programme will commence on Thursday 29th September 2022

2nd programme will commence on Tuesday 4th October 2022

3rd programme will commence on Wednesday 5th October 2022
